**Class: Leeds**

**Teacher: Mr Robson**

## Knowledge Organiser

Term 4

"An investment in knowledge pays the best interest."

Benjamin Franklin

# How to use your Knowledge Organiser

Using in Class	
Quiz your neighbour	Your teacher will give you a topic and you can create questions to test your neighbour's knowledge and understanding
Multiple choice quiz	A quick quiz based on the knowledge organiser
Key words	Tell your teacher if any key words from your knowledge organiser come up in lessons
Spelling Tests	Using the key words, your teacher might give you some spelling tests
Extended Writing	Using this key information, create longer pieces of writing showing your specialist knowledge
Knowledge test	At the end of the unit, your teacher might give you a test based on your knowledge organiser

Using at Home	
Catching up	Use the knowledge organiser to catch up on any lessons you have missed
Quiz yourself	Read through the information, repeat it to yourself, cover and test your knowledge
Create Flashcards	Turn the information in to revision cards
Application	Use this information to add to any homework or classwork, including longer pieces of writing
Revise	Use the information to revise for any assessments or end of topic tests

# Leeds – English – Shakespeare: Macbeth

**William Shakespeare**

was an English playwright, poet, and actor, widely regarded as the greatest writer in the English language and the world's greatest dramatist. He is often called England's national poet and the "Bard of Avon".

During his lifetime, **William Shakespeare** wrote around **37 plays** for the theatre and **over 150 poems!**

**William Shakespeare – Macbeth**

*Aims of the project*

- Who was William Shakespeare?
- The Globe Theatre
- Explore, Macbeth – the play
- Characters
- Understanding the play and language
- Moral dilemma
- Question of Fate
- Assessment

*Macbeth*, is a tragedy by William Shakespeare. It was probably first performed in 1606 and is Shakespeare's shortest tragedy.

In the play, Macbeth is a Scottish general under the rule of King Duncan. Three witches tell Macbeth that he will become king of Scotland. Macbeth is spurred by his ambition and his wife, murdering Duncan and ascending to the throne. His reign is bloody...

In theatre, the play has been associated with a curse. People have avoided speaking its title, calling it "The Scottish Play".

Do you think the witches care about Macbeth?

## Deceptive

-Fools others. Tells lies or pretends to be good on the outside.

Deceit, Deceptively

## Macabre

-Associated (Connected) with death or the dead (e.g. skeletons / graves)

The Macabre

## Horrific

-Actual physical threat to your body. Evidence of physical harm (e.g. corpses).

Horror, Horrifically

## Terrifying

-A suggested threat to your imagination or soul. Makes you feel uncomfortable or panicked. Terror, Terrifyingly

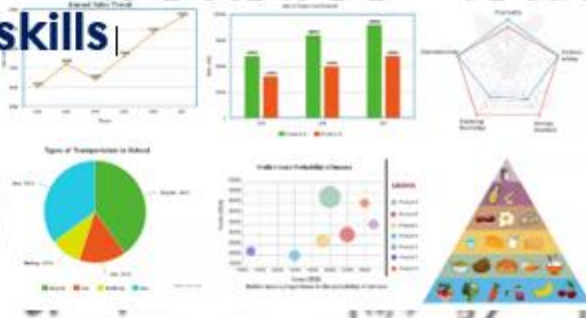

The 20-volume **Oxford English Dictionary**, published in 1989, has 171,476 words in it that make up the English language. These words are in use every day. The **average active** vocabulary of an **adult** English speaker is around 20,000 words, although they actually know around 40,000 words.

Macbeth, fully The Tragedy of Macbeth, is a tragedy by William Shakespeare. It was probably first performed in 1606. It was first published in 1623 and is Shakespeare's shortest tragedy.

**Macbeth Summary.** Three witches tell the Scottish general **Macbeth** that he will be King of Scotland. Encouraged by his wife, **Macbeth** kills the king, becomes the new king, and kills more people out of paranoia. Civil war erupts to overthrow **Macbeth**, resulting in more death. Until **Macbeth** is finally killed.

# Leeds – Mathematics: functional skills

- ✓ Collecting and using data and information.
- ✓ Understanding the most appropriate graph to use to show data
- ✓ Communicate results and giving clear reasons for your conclusions

$$\tanh(z) = -i \tan(iz)$$

- ### Functional Skills: Level 2
- Area and Perimeter
  - Ratio
  - Data
  - Percentages
  - Using formulas
  - Proportions

£120 has been shared in the ratios on the left. Match them up to the amounts they would get

5:7
3:2

£100 & £20
£75 & £45
£72 & £48
£64 & £56
£50 & £70:

$$5 + 7 = 12$$

$$12 / 120 = 10$$

$$5 \times 10 = 50$$

$$7 \times 10 = 70$$

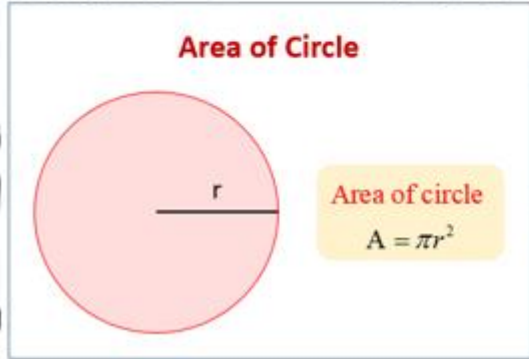

Pi = 3.1415926535897932384626433832795

### Equivalent Ratios

The value of the ratio A:B is the quotient  $\frac{A}{B}$ .  
 If two ratios are equivalent, they have the same value.

- To find equivalent ratios
1. Rewrite the ratio as a fraction
  2. Multiply the numerator and denominator by the same number.
  3. Rewrite the fraction as a ratio.

$2:3 \rightarrow \frac{2}{3}$	$6:8 \rightarrow \frac{6}{8}$
$\frac{2 \cdot 2}{3 \cdot 2} = \frac{4}{6} \rightarrow 4:6$	$\frac{6 \cdot 3}{8 \cdot 3} = \frac{18}{24} \rightarrow 18:24$
$\frac{2 \cdot 5}{3 \cdot 5} = \frac{10}{15} \rightarrow 10:15$	$\frac{6 \cdot 5}{8 \cdot 5} = \frac{30}{40} \rightarrow 30:40$

### Ratio Amounts – Example One

$a : 15 = 2 : 5$  Find the value of "a"

Write the ratios out vertically, and then Cross Multiply

$$\begin{array}{l} 2 & : & 5 \\ a & : & 15 \end{array}$$

$2 \times 15 = 5 \times a$  (Note writing  $2 \times 15 = a \times 5$  is also okay)

$$30 = 5a$$

"5" is the number in front of the letter variable and so divide both sides of the equals sign by 5 and simplify.

$$\frac{30}{5} = \frac{5a}{5}$$

$6 = a \rightarrow a = 6$  ✓

# Leeds – Personal Social & Health Education (PSHE): Positive Self

**healthy Self-Talk**

THIS	NOT THAT
✓ Whoops. I made a mistake.	✗ I'm so dumb.
✓ I like me.	✗ No one likes me.
✓ I did something bad.	✗ I'm a bad person.
✓ This is really hard, but I'm going to keep trying.	✗ I give up. I'll never be able to do this.
✓ I haven't figured it out...yet.	✗ I never get anything right.
✓ I am enough. And worthy, too.	✗ I'm not good enough.

**Positive self-talk** makes you feel good about yourself and the things that are going on in your life. It's like having an optimistic voice in your head that always looks on the bright side. ... **Negative self-talk** tends to make people pretty miserable and can even impact on their recovery from mental health difficulties.

- increased vitality
- greater life satisfaction
- improved immune function
- reduced pain
- better cardiovascular health
- better physical well-being
- reduced risk for death
- less stress and distress

Surround yourself with people who make you **HAPPY**.  
 People who make you laugh, who help you when you're in need. People who genuinely care. They are the ones worth keeping in your life. Everyone else is just passing through.  
 - KARL MARX

# Leeds – Topic: Smuggling (in Kent)

## A Smuggler's Song

If you wake at midnight, and hear a horse's feet,  
 Don't go drawing back the blind, or looking  
 in the street;  
 Them that ask no questions isn't told a lie.  
 Watch the wall, my darling, while the  
 Gentlemen go by!

*Five and twenty ponies,  
 Trotting through the dark —  
 Brandy for the Parson,  
 Baccy for the Clerk;  
 Laces for a lady, letters for a spy,  
 And watch the wall, my darling,  
 While the Gentlemen go by!*

Running round the woodlump if you chance  
 to find  
 Little barrels, roped and tarred, all full of  
 brandy-wine,  
 Don't you shout to come and look, nor use  
 'em for your play.  
 Put the brishwood back again — and they'll  
 be gone next day!

## Aims of the project:

- **To understanding what smuggling means**
- **To understanding why smuggling happened**
- **To investigate where it happened**
- **To investigate who was involved in our local history**
