

Online Safety at the Lighthouse School.

2021-2022

July 2021 School signs up for the National Online Safety Hub.

Online safety included in every classes RSE programme

<u>Date</u>	<u>Planned Intent</u>	<u>Impact and Review</u>
1.9.2021	All staff trained on KCSIE which includes information on peer-on-peer abuse and how bullying can occur. (Includes cyber bullying)	Staff are all able to complete a quiz on KCSIE and understand their duties in terms of reporting any concerns they may have.
5.10.2021	All staff asked to complete the Educare module on online safety.	All staff have a better understanding of what Online safety means and how we can further educate and safeguard our students.
5.10.2021	Drop down day. Students and Staff to have a better understanding of online safety. Sessions run by class teachers to ensure that students have a good understanding of how to keep themselves safe online.	Students have a better understanding at the end of the session of online safety and how they should report any unkind behaviour online.
8.10.2021	Assembly for Upper School Ricky Adams (well-being lead) discusses with students what to do if someone is unkind this includes online safety. Students advised to fill in "contact slip" and put this into the well-being post boxes which are located on both sites.	Students and all staff understand another way in which they can report unkind behaviour from peers or online.
	Half term	
3.11.2021	All staff asked to sign in to the National Online Safety Hub. Support staff to send any appropriate information apps or online safety to parents/carers.	Staff had some time to look at all the resources available from the National Online Safety Hub. Teaching staff where appropriate to include this information in their teaching. Information sent directly to selected parents where online safety has or is a safeguarding concern.
8.11.2021	Online Safety Ambassador recruited to work with the DSL to ensure that all students and staff continue to fully	BT to work with Katie Dean who will support the DSL to continue to deliver and

	understand how to keep themselves safe online. (Katie Dean)	oversee the online safety agenda.
18.11.2021	Kent Police deliver in class sessions on bullying, and this includes cyber bullying. Staff and students encouraged to report any incidents of abuse. Sessions delivered initially to Key Stage 3 and 4 students.	Students were able to discuss with external professionals how this may have affected them in their past and also students and staff gained a better understanding of how an online crime can be reported and the penalties for this if someone is found guilty of a crime.
4.1.2022	Termly online safety information technology updates to be emailed out to parents and carers and staff.	Ongoing
Term 3/4	Questionnaire to go out to parents/carers to understand their training needs in terms of online safety. 08.03.2022 - Questionnaire sent to admin team and will be collecting data.	Questionnaire will show training needs for parents and carers.
18.01.2022	Student Drop Down Day to include student questionnaires and more activities to ensure students fully understand how to keep themselves safe online.	A number of resources were provided to support teachers to deliver sessions about online safety in class.
8.2.2022	KD to share online safety resources with all teaching staff to deliver to their students.	Resources shared. Teachers to run sessions which are relevant to the needs of their class. Positive feedback received from students.
Spring Term /Summer Term	Training session to be delivered to all parents/carers online. Fact sheet to also be sent to any parent or carer that cannot attend.	
15.03.22	National Online safety Information guides on Call of Duty for parents and carers.	Information sent to parents to support them to keep students safe online.
15.03.22	Feedback Form sent to teachers. For student views and for teacher feedback on the workshops and resources provided.
