Weekly round up

It has been a busy start to Term 6 already, starting with lots of trips! Walmer class have been to Lakeside Shopping Centre to 'Electric Gamebox' an immersive, interactive digital gaming room as part of their ICT project and had a great time. Many classes have also had a trip to Wildwood as part of their final Outdoor Learning topic on animals. Hopefully, the weather will improve, and the students can enjoy some trips in the sunshine!

The year 11 students have been continued with their exams this week and the staff have been really impressed with their resilience and determination.
